

Joyau De France Chardonnay 2007, Champagne Boizel

Tasting Notes

Made from 2007 harvest of Chardonnays from the Cote des Blancs region, and having spent eight years in the cellars, this Cuvee expresses all the personality of the crus and reveals its ageing potential. The nose is sophisticated with fresh aromas of flower and of dry fruits revealing citrus fruit nuances. On the palate, the texture is dense and wide with a straight and balanced structure.

Champagne Boizel

Founded in 1834 by a Champagne family passionate about the wines of its region, the Boizel House was established in Epernay, the heart of the Champagne region. Each member of the Boizel family is proud to be part of this wonderful story and to take their turn as the holder of the family traditions that have been passed from father to son (or daughter) since 1834.

The House has an intimate knowledge of each hillside, of each village giving them access to grapes coming from the best crus of the region, which is essential in order to create great Champagnes. Their will to respect the natural qualities of the wines, allows them to produce champagnes the styles of which are appreciated by discerning connoisseurs and are served at the finest tables.

"At EWGA we are honoured to accept the wonderful opportunity to continue and enhance the development of a great champagne house in this important market. Having first visited Boizel as a child and originally sold the house champagnes in the 70's, it is exciting for our sales team to work together over the coming years introducing new customers and venues across the UK to these delightful champagnes".
