

Angel Champagne Brut

Tasting Notes

Enticing and sensual, Angel's brut champagne has notes of almonds, vanilla and honeysuckle, with red peach skin and liquorice root. Dancing, caressing bubbles swirl the flavours around the palate in a sensuous, energetic bolero. Fresh, elegant and luxurious.

Angel Champagne

Angel began life in LA, Miami and London's top nightclubs and at one time boasted none other than Mariah Carey as its US Brand Ambassador. Now under English ownership Angel is taking a more considered strategy into luxury retail and is enjoying astronomical success in Japan and China.

We're delighted to be working with the team on their UK launch and have been hugely impressed with both their vision and fastidious attention to detail. Made under the watchful eye of Elizabeth Sarcelet, one of the region's undisputed stars, each bottle is then shipped to the UK where the matt coatings and unique motifs are painstakingly applied by hand in Angel's dedicated workshop.

The resulting packaging is nothing short of extraordinary and more than a match for prestige cuvées at double or triple the price. All the wines are based on 100% Premier Cru fruit from the Montagne de Reims.
