## Boizel Brut Reserve Champagne 37.5cl

### Tasting Notes

This Cuvee is obtained by a precise blend of the three Champagne grape varieties. Brilliant straw gold in colour. Great finesse with tiny bubbles in swirling columns. Expressive, fine and fresh nose of white flowers, followed by an elegant fruity ambience with notes of white peach, apricot, hints of citrus fruits and brioche. The texture is fresh and round with lovely persistence. [This listing is for 37.5cl bottle.](#)

### Champagne Boizel

Founded in 1834 by a Champagne family passionate about the wines of its region, the Boizel House was established in Epernay, the heart of the Champagne region. Each member of the Boizel family is proud to be part of this wonderful story and to take their turn as the holder of the family traditions that have been passed from father to son (or daughter) since 1834.

The House has an intimate knowledge of each hillside, of each village giving them access to grapes coming from the best crus of the region, which is essential in order to create great Champagnes. Their will to respect the natural qualities of the wines, allows them to produce champagnes the styles of which are appreciated by discerning connoisseurs and are served at the finest tables.

*“At EWGA we are honoured to accept the wonderful opportunity to continue and enhance the development of a great champagne house in this important market. Having first visited Boizel as a child and originally sold the house champagnes in the 70’s, it is exciting for our sales team to work together over the coming years introducing new customers and venues across the UK to these delightful champagnes”.*
