

Gevrey-Chambertin Creux Brauillard, Domaine Perrault

Tasting Notes

The expressive and complex nose has aromas of red fruits with woody notes. We find these same aromas on the palate which are well enveloped by delicately blended tannins. Perfectly balanced ☒

Domaine Perrault

Domaine Perrault wines come from Manoir Murisaltien, ideally located in Meursault. The range offers a wide variety of white and red wines from Cote de Beaune and Cote de Nuits ☒

The very highest standards and principles are applied to our vine-grower partners to ensure the irreproachable quality of the grapes we purchase to make sure we offer to our customers only high-quality wines.

Our wines are matured in French oak barrels or in vats (depending upon the specific properties of each appellation).

The percentage of new oak varies from 10 to 30 per cent depending on appellations and vintages ☒
