

Santiago Rioja Segundo Año

Tasting Notes

Elegant Vanilla aromas. Medium-bodied, complete and fruit-driven. Segundo año means that the wine was released in the wine's second year following harvest. Shorter maturation allows it to obtain smoothness without becoming too oaky. A deliberate action by the winemaker who knows his wine.

Bodegas Santiago

Under Marques de la Concordia Umbrella, Rioja Santiago was founded in 1870 in Haro, Rioja Santiago is the second oldest winery in La Rioja. One of only three wineries in the world that, due to its age, are permitted to use the word 'Rioja' on the label. Nowadays Rioja Santiago is a modern winery, but the philosophy that surrounded the wines for more than 100 years has not changed: producing the highest quality Rioja wines.
